## About College

An institution that has its roots in the annals of history and has evolved and grown ever since, so as to be preserved as a part of our educational and cultural heritage. The college with its aura of history and heritage dates back to 1905, when His Highness, Maharaja Sir Pratap Singh announced the opening of the college as Prince of Wales College. This was to commemorate the visit of His Royal Highness, Prince of Wales, the future King George V. Maharaja Pratap Singh, a benevolent ruler and a great visionary of his times, thus, created the only institution of higher learning in the entire Jammu region. This college was renamed as Govt. Gandhi Memorial College on 20th of May 1948 and recently it has become one of the constituent colleges of Cluster University of Jammu.

## Objective

Teaching is a continuous process that stretches from beginning till the end of professional career. The main objective of the conference would be focused on the professional development of Science Teachers of J&K State. As Science has rapidly changing knowledge base and expanding relevance to societal issues and teachers need opportunities to build their understanding and ability. This conference is expected to provide an opportunity for participants to meet and discuss the latest professionalism in the field of Science.
