

## REPORT OF ACTIVITIES OF CHEMISTRY DEPARTMENT(2021-22)

**Department of Chemistry GGM Science College** organized a national seminar on **Intellectual Property Rights** under the patronage of worthy Principal Dr. Ravender Tickoo . The seminar opened with welcome address by NSS PO Dr. Deepali Mahajan. Intellectual Property Rights are the rights given to the persons over the creation of their minds. The resource person Mr. Himanshu Goel, Scientist from Patent Informatic Centre, UCOST Dehradun, also worked as Data Base Administrator in Spatial Data Infrastructure Project. He explained patents, copyright, industrial design rights, trademarks, plant variety rights, trade dress and geographical indications. IPR are important as without protection of ideas, businesses and individuals would not reap the full benefits of their inventions and would focus less on research and development. The seminar was joined by Prof. Dr. Versha Wazir Dept. of Chemistry and Pharmaceutical, DIBNS Dehradun. She beautifully explained her personal experiences in filling patents and publishing research work. The sessions were followed by interactive talk between the resource persons and the participants. Dr. Ravinder Tickoo praised the efforts of organizers as IPR is part of curriculum. The seminar ended with formal vote of thanks by HOD Chemistry Dr. Poonam Kamotra. The seminar was organized by Dr. Babita Mahajan and Dr. Deepali Mahajan. E-certificates were given to all the participants including staff and students of various colleges of JK UT. Number of participants was :60

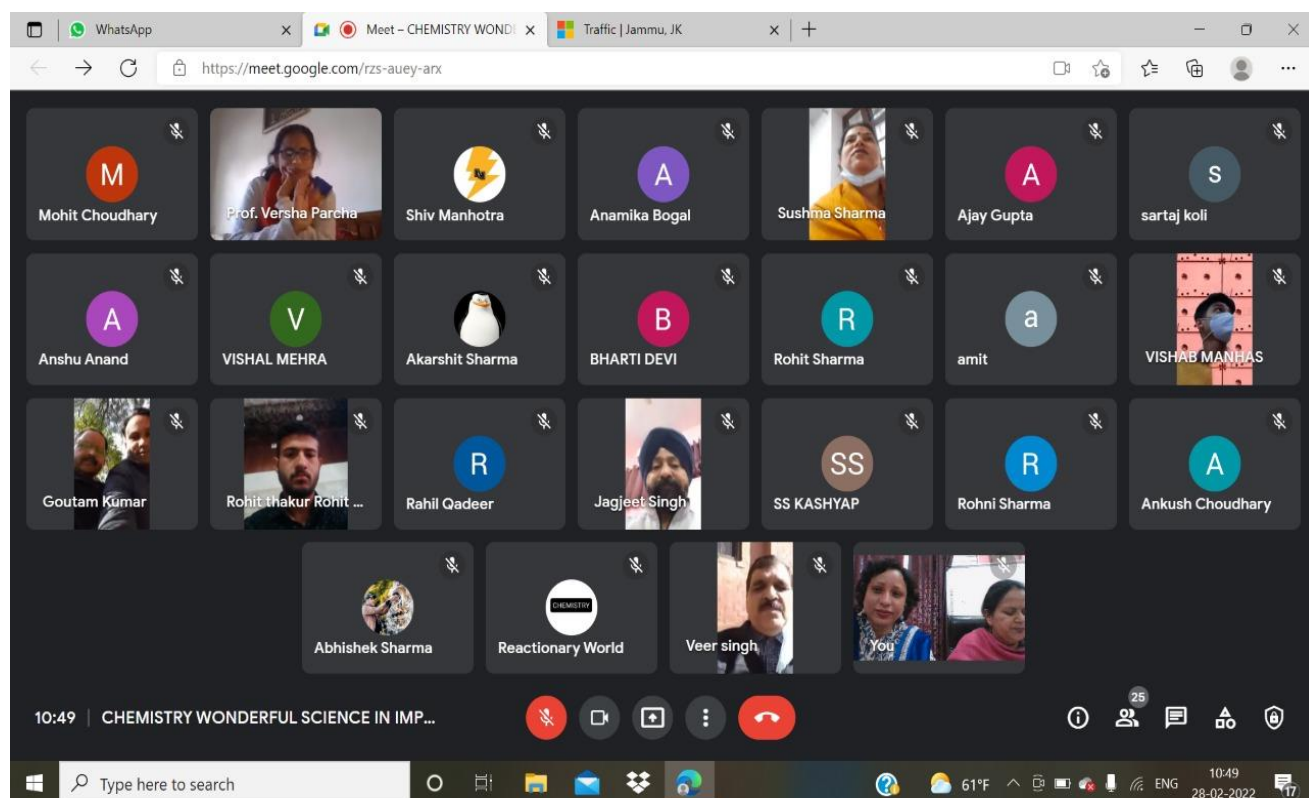

Department of Chemistry,  
GGM Science College Jammu under the patronage of worthy Principal Dr Ravender Tickoo and guidance of Dr Poonam Kamotra(HOD, Chemistry) organized a Seminar on "Conservation and Management of Natural Resources. The purpose of the seminar was to aware the students about the importance of Conservation of Natural Resources. Students from different semesters took part in the competition. Seminar began with the warm welcome address by Dr Babita Mahajan. Dr. Poonam Kamotra (HOD, Chemistry) encouraged students to participate as they are more updated and can make the change. The first prize was bagged by Rimsha Javeed Mir, Second prize by Mehak Koul and third prize was bagged by Sahil Sharma and Anil Kumar Sharma. The judges of the event were Prof. Rashi Gupta, Associate Professor in Chemistry and Prof. Preeti Dogra (HOD, Environmental Sciences). Prof. Preeti Dogra also addressed the students and she stressed upon the basic steps such as switch off the extra lights in our homes and streets, close the running taps in streets. She said these small steps can contribute a lot in the Conservation of natural Resources for our future generation. The prizes were given by senior faculty members of Chemistry department and attended by all Chemistry Faculty.  
Number of participants :45

A series of events marked the celebration of National Science Day at G.G.M Science College Jammu under the patronage of worthy Principal Dr. Ravender Tickoo. The spirit of the integrated approach to problem solving in science and technology was the theme of National Science Day 2022. Science and technology play a major role in making human lives better and comfortable. Department of Chemistry under the guidance of HOD Dr. Poonam Kamotra organized a blended national seminar in online and offline mode. The resource person Prof. Dr. Versha Parcha Department of Chemistry Pharmaceutical Chemistry, DIBNS, Dehradun beautifully explained CHEMISTRY WONDERFUL SCIENCE IN IMPROVING HUMAN LIFE. Through her experience and depth of knowledge she made the students realize the importance and presence of chemistry in our lives and motivated them to develop the thinking scientific temperament and to adopt chemistry as profession . The event organized by all the faculty members of Chemistry Department

Number of participants:62

Department of Chemistry, GGM Science College Jammu under the patronage of Dr. Ravender Tickoo (Principal) and guidance of Dr. Poonam Kamotra,(Head of the Department) organized Seminar cum Speech competition on 'Cyber Security' in connection with the Celebration of Cyber Crime Jagrookta Diwas. The purpose of the seminar was to spread awareness about Cyber attacks which are very common in today's scenario. More than 20 students participated in Seminar. The event was adjudged by Dr. Sanjeev Goswami and Dr. Rashi Gupta. The first prize was bagged by Avleen Kour of B.Sc. Semester 5th, Second by Anil Kumar Sharma of Semester 3rd and third by Rimsha Javeed Mir of Semester 3ed. Dr. Anjana Sharma was the Coordinator and the programme was organized by organizing Committee Dr Babita Mahajan, Dr Deepali Mahajan, Prof. Shrdha Anand, Dr Sushma Sharma and other members of Department of Chemistry.

Number of students participated:33

Department of Chemistry, GGM Science College Jammu under the patronage of Dr. Ravender Tickoo (Principal) and guidance of Dr. Poonam Kamotra,(Head of the Department) organized “Flower Arrangement” Competition on 14<sup>th</sup> march 2022. The purpose of the competition was to aware students about the art of organizing and grouping together plant materials to achieve harmony of form, colour and textureThe first prize was won by Nancy sharma and Anu sharma, Avleen Kour stood second and third prize was shared by Radhika sharma, Sargam verma and Rashi koul.. The whole event was successfully coordinated by all the faculty members of Chemistry Department.

Number of students :10

Number of teachers :All faculty members of Chemistry department
