All Degree Colleges of J&K**

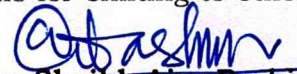

**Subject: Opening of Spot-Round for admission to Four-Year Undergraduate Programs (FYUGP) / Integrated P.G. Programs with multiple-exit options for the Academic Session 2025-2026.**

Sir/Madam,

Owing to the completion of three rounds of Admissions to Four-Year Undergraduate Programs (FYUGP) / Integrated P.G. Programs with multiple-exit options for the Academic Session 2025-2026, many colleges have reported unfilled vacancies in certain subjects.

In view of this, the colleges are authorised to fill these leftover seats during the Spot-Round as per the following schedule:

- The interface for registration and selection of programs and colleges shall be activated from 1st August 2025, till 03rd August, 2025, thereby enabling aspirants to apply for spot admissions. All eligible candidates interested in participating in the Spot Round shall complete the Registration and College/Program selection within the stipulated timeline.
- To facilitate the Spot Round, the Admission Cell of each college shall prepare Program-wise vacancy lists by 1st August 2025, displayed prominently on the college website.
- During the Spot Round, the admission process will follow two distinct approaches at College level.
  - For programs where the vacancy is less than 30%, admissions shall be granted strictly based on 10+2 merit, with colleges preparing and following a merit list, duly notified to intending candidates by publishing on the college website
  - For programs with a vacancy of more than 30%, admissions shall be offered on a first-come, first-served basis.
- Colleges shall publish Merit/Selection Lists on 4th August on their websites and complete the admission process by 5th August 2025.
- Colleges shall also be provided with the option to re-enable the payment facility for candidates who were selected in earlier rounds but could not complete the admission formalities due to non-payment of admission fee or due to any other reason from 1st to 3rd August 2025. Colleges must maintain a separate count of such admissions and ensure that their seat matrix is updated accordingly to reflect the actual availability of seats.
- In case the number of students admitted to a particular Major is less than 10 after completion of the spot-round and the students are not willing to shift to any other major, the colleges shall identify such programs for shifting to other colleges by 6th August 2025.
